EXHIBITOR RULES AND REGULATIONS

These Exhibitor Rules and Regulations (the “Rules” and together with the application, the “Exhibitor Agreement”) are a bona fide part of the contract for exhibit space with Government Finance Officers Association (“GFOA” or “show management”). Each exhibitor (“Exhibitor”), on behalf of itself and its employees, officers, directors, agents and contractors, agrees to abide by these Rules and by any amendments or additions hereafter made by show management.

1. Cancellation and Refunds

Failure to appear at the conference does not release Exhibitor from responsibility for payment of the full cost of the contracted booth space. In the event of cancellation, space reverts back to show management for use at its sole discretion. Show management’s ability to resell the space shall not affect the refund schedule.

2. Rental and Assignment of Booth

Whenever possible, booth assignment will be made by show management in keeping with the preferences as indicated on booth contract. Show management, however, reserves the right to make the final determination of all space assignments in the best interests of the conference.

3. Rejection of Application

Show management reserves the right to reject an application for booth space, refuse rental of booth space, cancel booth space after an application is approved, or curtail or close exhibits or parts of exhibits at any time prior to or during the conference. This extends, without limitation, to persons, things, printed matter, products, and conduct determined by show management, in its sole discretion, to be contrary to the character, objectives or best interests of the conference or suitable for its attendees. The enforcement of this right is at the sole and absolute discretion of show management.

4. Use of Space, Subletting Space

No Exhibitor may assign, sublet, or portion their space to another business entity or individual without the express permission in writing from show management. No Exhibitor may show or demonstrate products or services other than those manufactured or handled in the normal course of their business.

Should any item from a non-exhibiting firm be required for operation of display, identification of such item shall be limited to the regular name plate or trademark under which same is sold in the general course of business. Sharing space with individuals or companies not officially represented by the contracting exhibitor is strictly prohibited and may result in eviction and removal from the conference.

5. Operations of Exhibits

Show management reserves the right to restrict the operation of, or evict completely, any exhibit, which in its sole opinion, detracts from the general character of the conference as a whole. This includes, but is not limited to, an exhibit, which because of noise, flashing lights, method of operation, display of unsuitable material, is determined by show management to be objectionable to the successful conduct of the conference as a whole. All demonstrations or other promotional activities must be confined to the limits of the contracted booth space. Sufficient space must be provided within the booth space for the comfort and safety of attendees watching demonstrations and other promotional activities. Each Exhibitor is responsible for keeping the aisles near its booth space free of congestion caused by demonstrations or other promotions.

6. Sampling of Food or Beverages

Exhibitors may not, without GFOA prior written consent, distribute food or beverage samples. All arrangements for the provision of food or beverage must be made through the official contractor of the convention center. Information will be included in your Exhibitor Service Manual.

7. Literature Distribution

All demonstrations or other activities must be confined to the limits of the Exhibitor’s contracted booth space. Distribution of circulars may be made only within the booth space assigned. Exhibitors in the aisles, meeting rooms, registration areas, lounges, or grounds hosting the conference shall not distribute advertising circulars, catalogs, folders, or devices. Trade publishers are prohibited from soliciting advertising during the show. Trade publications may be distributed from their booth.

8. Exhibitor Representatives

Exhibitor’s representatives must be properly registered and wear their GFOA badges at all times. Exhibitor assumes full responsibility for its employees and authorized representatives and is responsible for ensuring that these Rules, as well as the terms of the Exhibitor application and agreement with show management, are strictly followed.

9. Sound

Exhibits which include the operation of musical instruments, radios, sound projection equipment, or any noisemaking machines must be conducted or arranged so that the noise resulting from the demonstration will not annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. Operators of noisemaking exhibits must secure approval of operating methods before the exhibit opens. Show management shall be the sole judge of what constitutes appropriate sound levels.

10. Sales

Cash and carry sales are prohibited. Samples or souvenirs may not be sold.

11. Arrangement of Exhibits

In March 2026, Freeman, GFOA's official decorator, will provide each exhibiting company with a link to the Exhibitor Service Manual. The manual describes the type and arrangement of exhibit space and the standard equipment provided by show management for booth construction. All booth space must be arranged and constructed in accordance with the guidelines, provisions, and limitations contained in the exhibitor kit. If, in the sole opinion of show management, any exhibit fails to conform to the exhibitor kit guidelines, or the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the conference and no refunds will be issued. Exhibits not conforming may be dismantled or modified, at the Exhibitor's cost, at the sole judgment and discretion of show management.

12. Carpet

Exhibitors are required to and are responsible for carpeting their entire booth space. Booths not fully carpeted by two hours prior to show opening will be carpeted at the Exhibitor's expense.

13. Booth Design

All display material is restricted to a maximum height of four feet, except the back-wall, which is limited to 8 feet high and 30 inches deep. Exhibit backgrounds, lighting fixtures, etc., may not exceed the 8-foot height limit. Signs, logotypes, etc., may not be placed higher than 8 feet from floor level. Island booths are restricted to a maximum height of 16 feet high.

14. Two-Story Booths

Plans for all two-story booths must be submitted to the Convention Center a minimum of 90 days prior to installation, certified and sealed by a licensed structural engineer or licensed architect. Plans will be reviewed by the The Chicago Bureau of Fire Prevention and the McCormick Place Convention Center Fire Safety Manager for approval. If the compliance regulations are not met, the Convention Center has the authority to end the work and prohibit occupancy.

15. Fire Requirements

Lasers must be self-contained inside booth and shall not scan the audience. Lasers used for any other purpose require the prior written approval of the fire department.

Booth construction and decoration materials must be fire retardant. It is suggested that a certificate of retardancy be available at the show to prevent the need for possible on-site testing of the material. Fabrics must pass the NFPA-701 Code, and all other construction and decoration materials must pass the NFPA-03 Code as well as the UL-1975 test.

For full details, refer to the [McCormick Place Fire Safety Regulations](#).

16. Exhibits and Public Policy

Each Exhibitor is charged with knowledge of and is responsible for compliance with all applicable state, county, and city laws, ordinances, and regulations pertaining to health, fire prevention, and public safety while participating in the conference. No part of the exhibit hall or convention center shall be defaced in any manner, nor shall signs or other articles be posted, nailed, taped, or otherwise affixed to any pillars, doors, walls, or other parts of the building.

All booth decorations must meet flame proofing codes. All exits, hallways, aisles, and fire control apparatus must remain clear and unobstructed at all times. Electrical equipment and wiring must conform to the National Electrical Code Safety Rules. Use of butane or bottled gas is not permitted. Helium balloons are not permitted inside the convention center. The McCormick Place Convention Center is a smoke-free facility.

Exhibitors will not be permitted to store behind their booth background any excess material such as cardboard, cartons, literature, etc. If unusual equipment or machinery is to be installed, the Exhibitor must communicate with Freeman for information concerning facilities or regulations. Exhibitors must comply with all city and state fire regulations.

Independent contractors must conform and comply with these Rules and all Show management, Freeman, and the McCormick Place Convention Center guidelines. All exhibit labor must comply with established labor jurisdictions and requirements.

17. Installation and Removal

Show management reserves the right to fix the time for the installation of a booth prior to the conference opening and for its removal after the conclusion of the conference. Any space not claimed and occupied three (3) hours prior to the conference opening may be resold or reassigned without refund. Installation of all exhibits must be fully completed by the opening time of the exposition hall at 9:30 am on Sunday, June 28, 2026.

18. Storage of Packing Crates and Boxes

Unattended freight in any booth space as of one (1) hour prior to the opening of the conference will be removed and stored at the Exhibitor's sole risk and expense.

Exhibitors will not be permitted to store packing crates and boxes in their booths during the exhibit hours. It is the responsibility of the Exhibitor to mark and identify their crates. Crates not properly marked or identified may be destroyed. Show management assumes no responsibility for the contents of crates or boxes improperly labeled as "empty."

Crates, boxes, or other exhibit materials unclaimed by the Exhibitor after the conference will be removed at the Exhibitor's expense. Freeman will bill Exhibitors for removal time and materials at prevailing rates. Show management, Freeman, and/or the McCormick Place Convention Center shall not assume any liability whatsoever for loss or damage to any Exhibitors' property.

19. Americans with Disabilities Act

Each Exhibitor is responsible for compliance with the Americans with Disabilities Act ("ADA") within its booth and assigned space and is responsible for ensuring that its booths are accessible to individuals with disabilities. Exhibitor hereby indemnifies and holds GFOA, Freeman, and the McCormick Place Convention Center, harmless from and against all cost, expense, liability, or damage which may be incident to, arise out of, or be caused by Exhibitor's failure to comply with the ADA.

20. Liability and Security

GFOA, the McCormick Place Convention Center, and their respective employees, officers, directors and agents are not and will not be liable

or responsible for any injuries, theft, loss, damage of whatever nature, direct or indirect, to an Exhibitor, its employees, agents, goods, or property of any of the foregoing, arising from or in connection with any act or omission whatsoever [, except for acts or omissions constituting gross negligence or willful misconduct under the applicable law]. Exhibitor shall indemnify, defend and hold the GFOA, the McCormick Place Convention Center and all agents and employees thereof (hereinafter collectively called "Indemnities") forever harmless from and against any and all losses, costs, claims, damages, penalties, demands, liability or expenses (including attorney's fees) arising out of or relating to: (i) violations of or non-compliance with any applicable law or ordinance by the Exhibitor, its employees or agents or those holding under the Exhibitor; and/or (ii) any property damage or accident of bodily injury or other occurrence to any person or persons, including the Exhibitor, its agents, employees, business invitees or guests, which arise from or out of or by reason of said Exhibitor's occupancy and use of the exhibition premises, Exhibitor's booth, the convention center or any part thereof [except for those matters directly caused by the sole negligence of Indemnities].

21. Exhibitor Insurance

All property of the Exhibitor is understood to remain under its custody and control in transit to and from or within the confines of the exhibit area. The Exhibitor understands that neither GFOA nor the McCormick Place Convention Center maintain insurance covering the Exhibitor's property and it is the sole responsibility of the Exhibitor to obtain such insurance. 22. Force Majeure

GFOA shall not be liable for failure to perform its obligations under these Rules or the Exhibitor Agreement as a result of strikes, riots, acts of nature, government intervention, or any other causes that shall make it impossible or inadvisable to hold the conference or portion thereof at the time and place herein provided. Then and thereupon the Exhibitor Agreement shall terminate and said Exhibitor shall and does hereby waive any claim for property or other damages or compensation except the pro rata refund on the amount paid after deduction of actual expenses incurred in connection with the show and there shall be no further liability on the part of either party.

Each Exhibitor, for themselves and their employees, agrees to abide by the foregoing Rules and by any amendments or additions thereto made in conformance with the proceeding sentence. GFOA's decision and interpretation shall be accepted as final in all cases and shall be binding upon Exhibitors.
